Computer Engineering Department

VOL.I

NOV. 2022

## DIRECTOR'S DESK

Dr. Vilas Sawant  
CEO/Secretary

Dear parents students, a sparkling new academic year to all of you. As a part of the RSIE family, I believe that in this New Year, we all together would come forward to complete our commitments with more enthusiasm, extra efforts & determination.

I am glad that Computer Department is bringing out **INTELITY**. This will provide you an inside story of the departmental activities. I would like to give my best wishes to all the editorial board members, staff members and students for making **INTELITY** interesting and more informative. ★★★

## Editorial Committee

### Editor in Chief

Mr. R. B. Nalwade (Principal)

### Co-Ordinator

Mrs. V. S. Khandekar (Lecturer)

### Department Faculty Member

Mr. S.A. Gajmal (I/C HOD)

## OUR VISION

To Produce  
Ethical and Knowledgeable  
diploma holders in  
Computer Engineering.

## OUR MISSION

**Mission 01** :- To provide our student with curriculum and industry based teaching learning process.

**Mission 02** :- To encourage our faculty and students to participate in Industry academic event.

**Mission 03** :- To provide social platform that generate ethical & entrepreneurship skills in students.

## CELEBRATION OF WOMENS DAY

On 11th March 2023, Celebration of Women's Day with poetry reading was organized by Mandar Education Society's Rajaram Shinde Institute of Engg & Technology Pedhambe on for the said lecture, the speaker was Dr. Mrs. Kotkunde Shrutika, Psychiatrist. The guest speaker explained the concepts of how to maintain and balance your mental, emotional stress, disorders and telling how to diagnose that problem with ease. He also explained the different methods that are used to recover from the mental tension and the stress to fulfill your dreams. At the end of the session, students asked questions regarding the health and stress. Y.V.Padhye gave introductory speech and vote of thanks.

## HOD DESK

SANDESH A. GAJMAL

I/C HOD

Welcome and best wishes to all the stakeholders of the Computer Department. It gives me a great opportunity to present the seventh issue of INTELITY. It has been an interesting and busy semester for the members of the department. The past semester was full of various activities by the students and faculty in academic, co-curricular and extra-curricular activities. Curricular and extra-curricular activities will give the outlet to students' talent. Newsletter brings forth this hidden talent of students. As you read through the pages you will realize that the department had a particularly very successful semester. I would like to thank all my colleagues for their tireless efforts to help the department progress at steady pace.

★★★

## Guest Lecture on Personality Development

Computer Department of R.S.I.E.T Pedhambe arranged guest lecture for Second and Third year Students on 5 Dec 2022 Was conducted by Hon. Shri. Ashish Rade, Leo & Sagittarius (OPC) pvt ltd. On “**Intentional employabilities**”. Mr. Nalwade R.B. the principal of RSIET has felicitated the guest. He encouraged and motivated students by giving some real life examples about the international employabilities His speech was **fight against the Situation but don't give up**. He encouraged and motivated students by giving some real life examples. His **speech was b Fight against Situation, but don't give up**. Based on the theme He also gave information about his foundation, which basically works for upbringing of today's students in international level. Thankful For his motivational social work, and also thankful for COMPESA committee and staff members of the Computer department.

## Expert Lecture On Software Testing
