<p align="center"><b>A Blood Donation Camp</b> was successfully organized on <b>4th October 2025</b> at the <b>Seminar Hall of Mandar Education Society's College of Pharmacy Institute</b> with the objective of promoting voluntary blood donation and creating awareness about its importance in saving lives.</p> <p>The camp witnessed enthusiastic participation from students, faculty members, and non-teaching staff, who came forward to donate blood as a noble humanitarian gesture. The event was conducted in a disciplined and hygienic manner under the supervision of qualified medical professionals, ensuring all safety norms and health protocols were strictly followed.</p> <p>Prior to donation, donors underwent basic health check-ups, including hemoglobin level, blood pressure, and weight measurement. The camp not only helped in collecting a significant number of blood units for medical emergencies but also instilled a sense of social responsibility and compassion among the participants.</p> <p>The management and staff of Mandar Education Society's College of Pharmacy Institute played an active role in the smooth organization of the camp, making it a meaningful and impactful social initiative.</p>	 
<p><b>Outcomes/Conclusion:</b> The Blood Donation Camp held on <b>4th October 2025</b> at the Seminar Hall of <b>Mandar Education Society's College of Pharmacy Institute</b> was a great success and achieved its intended objectives. The camp received an encouraging response from students, faculty, and staff, resulting in the collection of a substantial number of blood units to support medical needs and emergencies.</p>
